306 - A Brief History

The 306 BBQ journey began in a driveway in a small southern town in Alabama. Three friends gathered to cook meats on a portable smoker for their friends and family to enjoy.

Today, 306 has full-service restaurants throughout North Alabama. We smoke authentic, fresh off the pit, dry rubbed meats on-site daily and serve them with more than a dozen delicious side items. Once you experience 306, you'll be glad to spread the word. Not sure what to order, check out the Pit-Master Picks, soon our favorites will be yours too.
